10TH ANNUAL PAT'S RUN

Pat's Run started 10 years ago. In 2014, we'll run harder than ever.

Thank you for registering to Run, Walk and Honor Pat's legacy and all military veterans and families at the 10th Annual Pat's Run, the signature fundraising event for the Pat Tillman Foundation.

Pat's Run proceeds directly support scholarships for Tillman Military Scholars – military veterans and spouses—who share Pat's spirit of service, learning and action. Since the Foundation's inception in 2004, through the generous support of donors nationwide combined with proceeds generated at Pat's Run, Pat Tillman Foundation has invested over \$9 million in educational support and resources for military veterans and spouses committed to a life of service in and out of uniform.

For the 10th Annual Pat's Run, we anticipate more than 30,000 participants in Tempe and thousands more at Shadow Runs in 30 other cities nationwide. No matter where you choose to run, you can help make this Pat's Run the most meaningful one to date with a pledge to raise \$100 by April. Your contribution would directly support hundreds of Tillman Military Scholars as they study to become our nation's next leaders in medicine, business, law, education and the arts.

Together, Tillman Military Scholars are carrying forward Pat's legacy of service to others. Imagine their impact for our communities and our country in the years to come. Every dollar you help raise is not just a donation. It's an investment in our future.

After registration, you can create a personal [Pat's Run fundraising page](#) in a few easy steps to support this extraordinary group of men and women. Be sure to check out the different fundraising goals and order your official Pat's Run [training gear](#) early online. Most especially, take a moment to hear the stories of Tillman Military Scholars making a difference in your community at:

Thank you for your support!

RUN, WALK, HONOR

Pat's Run is the signature fundraising event for the Pat Tillman Foundation. Held annually in April at Sun Devil Stadium, the event attracts more than 35,000 participants, volunteers and spectators from across the country. Together, we Run, Walk and Honor Pat's memory while raising important funds to support the scholarship programs created in his name. From the inaugural run held in 2005 with nearly 5,000 participants, the event has seen unprecedented growth each year and the 4.2 mile run has reached capacity with 28,000 participants making it the largest race in Arizona.

ABOUT PAT'S RUN

The 4.2 mile course winds through the streets of Tempe. All participants finish on the 42-yard line on Frank Kush Field, symbolic of the #42 jersey Pat wore while he was a Sun Devil.

The fun continues after the race with a free Finish Line Expo that features entertainment, refreshments and more than 50 local and national vendors. For children 12 and under the Kids Corner is an interactive zone filled with games, inflatables and special appearances by members of the Arizona Cardinals, Arizona State Sun Devils and local sports team mascots.

INVEST IN OUR MISSION

Proceeds raised at Pat's Run support the Tillman Military Scholars Program. Inspired by Pat's attributes of leadership, passion for education and spirit of service, the Foundation annually awards educational scholarships through the Tillman Military Scholars Program. Created in 2008, the program provides educational resources and financial support to veterans and their spouses to bridge the gaps left by the Post 9/11 GI Bill. To date, 290 Tillman Military Scholars attending over 85 academic institutions nationwide have been awarded nearly \$9 million in educational support to continue their service both in and out of uniform.
