1:45pm - 2:45pm Impact Area Networking Sessions

---

**Description:** The agenda for each Impact Area Networking Session is twofold:

(1) the first 15-minutes will be spent in a “speed-networking session” where each scholar will write one-word on their nametag about their work that they want others to know about;

(2) the next 45-minutes will be spent in a “brainstorming session” addressing the following prompt -- “If PTF were to host a Tillman Scholar Legal (or Health Care or Business or Public Service) Summit, what should that event look like? What topics should the event address? Who should we invite to attend (or speak)? Where should we execute the session? What should the outcomes be?”

---

**NOTE:** If you wish to attend a different session, please notify Tabatha, Tina, or JD
