Celebrating Pat Tillman's Legacy

Pat's Run 2023, presented by TEKsystems, celebrates the legacy of Pat Tillman every April. Now in the 19th year, Pat's Run is the signature fundraiser for the Pat Tillman Foundation.

Proceeds from Pat's Run directly support the foundation's Tillman Scholars program. PTF empowers its more than 800 Tillman Scholars, remarkable service members, veterans, and military spouses, through academic scholarships, lifelong leadership development, and a supportive community of high-performing mentors and peers.

Pat's story on the football field and the Army is well-known, but it is his principles and service that are his true legacy. Pat believed in something bigger than himself and dedicated his life to serving it – thank you for joining us in honoring that legacy by walking or running 4.2 miles today.

RACE SHIRT, BIB & MEDAL

Your race bib must be pinned, visible, and worn on the front and outside of all clothing during the entire race. Your race bib is non-transferable and may only be worn by you. The timing tag on your race bib (activated as you cross the start line mats) will ensure that your official race time is not affected by your corral assignment. After crossing the finish line, you must present your bib to receive the 2023 Pat's Run Medal, the first in our new three-year series.

SAFETY PRECAUTIONS & PROHIBITED ITEMS

All attendees will be screened using metal detectors before entering the race area. Bags, weapons of any kind, dogs and other pets, drones, bicycles, in-line skates, skateboards, scooters, and all motor-driven vehicles are prohibited. Participants who do not adhere to the Pat's Run safety guidelines will be denied access. Please bring only essential items to the race. There is no onsite storage provided for race participants.

START LINE CORRALS

Race participants will be invited to enter their assigned corrals at 6:30 a.m. Runners in Corral 1-10 should plan to arrive between 6:30 and 7. Corral 11-28 can arrive between 7 and 7:30 a.m. to make their expected start time. Each runner is assigned to a corral based on state-of-the-art algorithms drawing from multiple data points including previous run times from various running events and expected finish time. You are only permitted to enter your assigned corral or any corral behind your assigned corral. To alleviate congestion on the course, runners must stay to the right and walkers must stay to the left of the course.

GETTING AROUND ON RACE DAY

TRANSPORTATION

Limited free parking is available in the parking garages and lots surrounding ASU. Due to race day traffic congestion, participants are strongly encouraged to carpool, walk, bike or ride the Valley METRO Light Rail to arrive at the event site. To avoid delays, approaching the race venue from south of Rio Salado Parkway is advised. Bikes can be parked on the North West corner of Rio Salado and Rural Road.

The Valley METRO Light Rail has a stop conveniently located at Veterans Way and College Avenue (½ mile from the start line) and various Park & Ride locations, including McClintock Dr/Apache Blvd and 101 Fwy/ Apache Blvd. Trains run every 15 minutes starting at 4:00 a.m.

RUNNING STROLLERS

Participants with strollers who wish to run (and finish in less than 40 minutes) will be allowed to start in a corral marked "Running Strollers" directly behind the last runner's corral, number 7, regardless of assigned corral. Only individual runners with strollers may enter this corral; no family members or running buddies. All walkers or slow joggers with strollers, regardless of estimated finish time, will be required to start in the final corral, number 28.

INFORMATION BOOTH

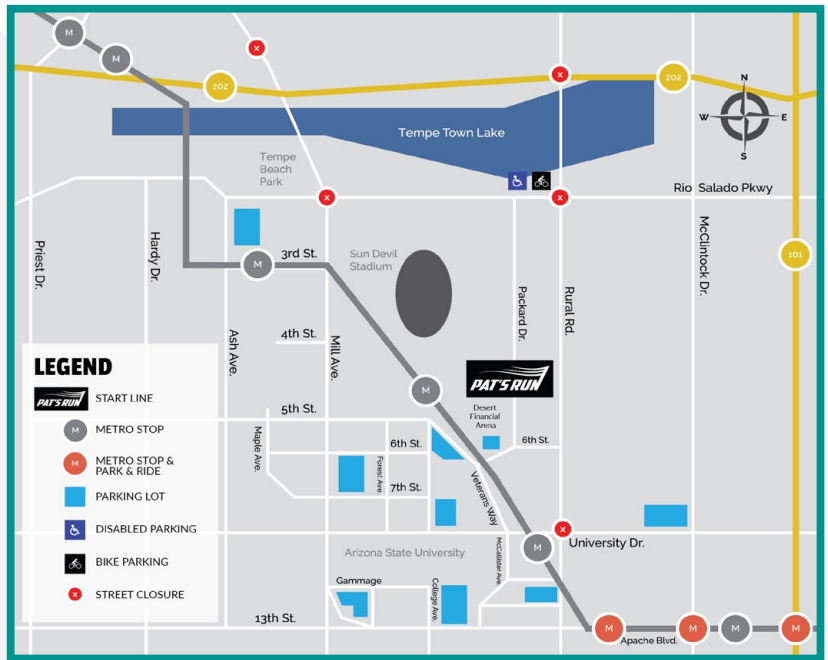

The Race Information booth will be located at the south end of the Race Day Expo. The Information Booth will also serve as the event Lost & Found. Valuables found in the race venue can be delivered to and retrieved from the Information Booth. Any valuable items NOT claimed by 11 a.m. will be returned to the Pat Tillman Foundation office. To claim an item after the event, please email patsrun@pattillmanfoundation.org.

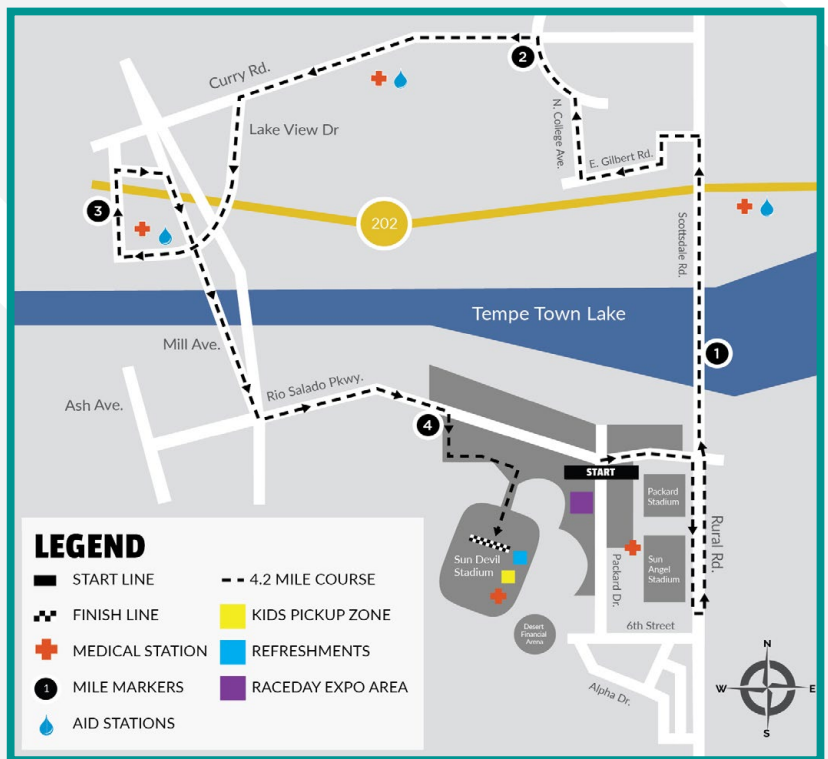

MEDICAL STATIONS

The Medical Team is a dedicated group of medical professionals available to assess your race day needs and administer acute first aid if necessary. Medical stations will be located at the start, finish, and every water station along the course. For race day help, look for the volunteers dressed in red shirts with a white cross.
