

20 YEARS. ONE LEGACY.

Sponsorship Opportunities

This year marks 20 years of the Pat Tillman Foundation, and gives us an opportunity to honor the legacy of service, scholarship, humble leadership, and impact of Pat, our Tillman Scholars, and our supporters at Tillman Honors.

As a 2014 Tillman Scholar, I have been fortunate to attend several Tillman Honors. This event brings together our partners and scholars to honor Pat's legacy, PTF's mission, and core values. It provides an opportunity to uplift people and organizations that are making a difference in the world. Tillman Honors plays a pivotal role in resourcing the foundation for scholarships and leadership development for our Tillman Scholar community, which annually grows by 60 extraordinary individuals.

Receiving PTF's programming and network has been a great privilege. Donors like you make it possible for the Pat Tillman Foundation to empower and unite military service members, veterans, and spouses as the next generation of leaders who believe in service beyond self.

This year, we recognize the National Football League and the Arizona Cardinals as our Champion Awardees for their continued dedication to our mission and unwavering support of the Tillman Scholar community. In addition, we are thrilled to highlight TEKsystems, a long-time sponsor of Pat's Run, as our first-ever Leadership Through Action Award winner. Lastly, we are grateful to award three extraordinary Tillman Scholars the Make Your Mark Award for their outstanding achievements and dedication to service.

Thank you for your partnership and commitment to the foundation. We look forward to seeing you at Tillman Honors on November 6th and partnering with you to continue building upon this legacy for another 20 years.
