PATRICK TILLMAN

ATHLETE. SCHOLAR. SOLDIER. LEADER.

Pat was born in 1976 in San Jose, California. He led his high school team to a championship after he was told he was too small to ever play football. What Pat lacked in size, he more than made up for in intensity—he led ASU to the 1997 Rose Bowl after an undefeated season. Between games, Pat earned a B.S. in Marketing, graduating Summa Cum Laude.

The Arizona Cardinals selected Pat in the 7th round of the 1998 NFL Draft. Despite skepticism about his ability, he became the team’s starting safety and broke the franchise record for tackles in 2000 with 224. However, Pat’s NFL success did not go to his head. He drove to games in the same beat-up truck he had in college. In the off-season, he challenged himself with marathons and triathlons while pursuing a master’s degree in history from ASU. He volunteered with Boys and Girls Clubs, the March of Dimes, and local schools.

In the spring of 2002, Pat married his high school love, Marie. He then decided to place his NFL career on hold, turning down a $3.6 million contract to enlist in the U.S. Army. Pat and his brother Kevin joined the U.S. Army that July, committing to a three-year term. They were assigned to the second battalion of the 75th Ranger Regiment, and served tours in Iraq in 2003 and in Afghanistan in 2004. On April 22, 2004, Pat’s unit was ambushed. His heroic efforts to provide cover for fellow soldiers led to his tragic death via fratricide.

While the story of Pat’s death may have been more publicized, it is Pat’s life, principles and service that are his true legacy—and this foundation’s inspiration.
### SAFETY PRECAUTIONS & BAG POLICY
For the safety of all participants, the following are prohibited: bags, dogs and other pets, drones, bicycles, in-line skates, skateboards, scooters and all motor-driven vehicles. Participants who do not adhere to the Pat’s Run safety notice will be denied access to the start line corrals. Thank you in advance for your understanding and cooperation.

### START LINE CORRALS
Race participants will be invited to enter their assigned corrals at 6:30 a.m. Each runner is assigned to a corral based on state-of-the-art algorithms drawing from multiple data points including previous run times from various running events and expected finish time. You are only permitted to enter your assigned corral or any corral behind your assigned corral. To alleviate congestion on the course, RUNNERS MUST STAY TO THE RIGHT AND WALKERS MUST STAY TO THE LEFT OF THE COURSE.

### RACE SHIRT, BIB & MEDAL
Your race bib must be pinned, visible and worn on the front and outside of all clothing during the entire race. Your race bib is non-transferable and may only be worn by you. The timing tag on your race bib (activated as you cross the start line mats) will ensure that your official race time is not affected by your corral assignment. After crossing the finish line, you must present your bib to receive the 2019 Pat’s Run Medal (for 4.2 Mile finishers only).

TRANSPORTATION

Limited free parking is available in the parking garages and lots surrounding ASU. Due to race day traffic congestion, participants are strongly encouraged to carpool, walk, bike or ride the Valley METRO Light Rail to arrive at the event site. To avoid delays, approaching the race venue from south of Rio Salado Parkway is advised. Bikes can be parked on the North West corner of Rio Salado and Rural Road.

The Valley METRO Light Rail has a stop conveniently located at Veterans Way and College Avenue (½ mile from the start line) and various Park & Ride locations, including McClintock Dr/Apache Blvd and 101 Fwy/ Apache Blvd. Trains run every 15 minutes starting at 4:00 a.m.

RUNNING STROLLERS

Participants with strollers who wish to run (and finish in less than 40 minutes) will be allowed to start in a corral marked “Running Strollers” directly behind the last runner’s corral, number 7, regardless of assigned corral. Only individual runners with strollers may enter this corral; no family members or running buddies. All walkers or slow joggers with strollers, regardless of estimated finish time, will be required to start in the final corral, number 28.

INFORMATION BOOTH

The Race Information booth will be located at the south end of the Race Day Expo. The Information Booth will also serve as the event Lost & Found. Valuables found in the race venue can be delivered to and retrieved from the Information Booth. Any valuable items NOT claimed by 11 a.m. will be returned to the Pat Tillman Foundation office. To claim an item after the event, please email patsrun@pattillmanfoundation.org.

MEDICAL STATIONS

The Medical Team is a dedicated group of medical professionals available to assess your race day needs and administer acute first aid if necessary. Medical stations will be located at the start, finish and every water station along the course. For race day help, look for the volunteers dressed in red shirts with a white cross.
REUNION SQUARE — FIND FAMILY & FRIENDS
Make arrangements to reunite with family and friends after the race in Reunion Square, located south of the Race Expo. Plan to meet under the letter of the alphabet that corresponds to your last name, team name, company name, etc. After crossing the finish line, kids 12 and under can safely wait for a parent in the Kids Pickup Zone located east of the finish line. Children will be released to a parent/guardian wearing the wristband that exactly matches the number on the child's wristband.

KIDS RUN
We anticipate a record number of participants at the Kids Run and request that all parents/guardians review the information below to ensure a safe and enjoyable day for our youngest supporters and their families. Pat's Run Kids Run is a 0.42 mile, noncompetitive run/walk for children 12 years and under. The Kids Run starts at 10 a.m. just south of the Kids Corner on Packard Drive. Kids Run packets, including race number, cotton T-shirt, and goodie bag will be available for pick up Wednesday, April 24 - Friday, April 26 in the parking lot located at the north end of Sun Devil Stadium.

KIDS PICKUP ZONE
All children 12 years old and under who are registered for the 4.2 or 0.42 mile race will be issued a matching pair of Kids Pickup Wristbands— one for their parent or guardian, and one for the child. After crossing the finish line, kids 12 and under can safely wait for a parent in the Kids Pickup Zone located east of the finish line. Children will be released to a parent/guardian wearing the wristband that exactly matches the number on the child’s wristband. Kids Run participants are not qualified to receive a 4.2 mile finisher medal but will receive a Pat’s Run water bottle at the finish line.

EXPO, POST-PARTY & KIDS CORNER
Visit the Pat's Run Expo before and after the race where over 40 local and national vendors will provide food and drink samples, giveaways and more. Families with kids 12 and under can also enjoy the interactive Kids Corner in the Expo with inflatables, an obstacle course, and crafts. Children cannot not be left unsupervised in the Kids Corner; no drop-off for adult race participants allowed.

After the race, you can also join us for the Post-Party at Desert Arboretum Park, located just outside the southeast corner of Sun Devil Stadium. Finishers 21 years and older 'must' present both their ID and race bib to receive a complimentary beer to celebrate Pat's Run and toast to Pat's legacy. Security will check identification.

OFFICIAL RESULTS & PHOTOGRAPHY
The official race results will be posted online at patsrun.com on April 27, 2019. Free race photography will be posted online within your race results in the days following the race.
Family and friends established the Pat Tillman Foundation following Pat’s death in April 2004 while serving with the 75th Ranger Regiment in Afghanistan. Through the Tillman Scholars program, PTF unites and empowers remarkable military veterans and spouses as the next generation of public and private sector leaders committed to service beyond self.

The fellowship program supports Tillman Scholars with academic scholarships, a national network, and professional development opportunities, so they are empowered to make an impact in the world. Already, the Tillman Scholars are already making a difference in the fields of medicine, law, business, technology, education, the arts and more. Visit PatTillmanFoundation.org to learn about the impact of the Tillman Scholars and see why your support is more than a gift - it’s an investment.
